

Report Abuse Policy.

Talent Stream Club strives to provide an environment where people can feel free to express themselves. If abusive behavior happens, we want to make it easy for people to report it to us. Any abuse of the Site, its contents, its services, as well as, any abusive and inappropriate behavior can be reported to contact@talentstream.club. When reporting abusive behavior, please, include full description of the incident and when possible screenshots and any other supportive information. After you submit a report, you will see a confirmation message from us alerting you that we received your report (it may take up to 24 hours before you see a message). We will review the reported account and/or user(s). If we determine that the account and/or users are in violation of our policies, we will take action (ranging from a warning to permanently suspending the account). You will receive a follow up from us if we need more information from you, or when we take action on the reported account.
